

DEEP BLUE SEA

1. Deep Blue Sea, baby, deep blue sea.
Deep blue sea, baby, deep blue sea.
Deep blue sea, baby, deep blue sea.
We want peace in all the lands
And o'er the deep blue sea.
2. Sleep, my child, you are safe and sound,
Sleep, my child, you are safe and sound,
Sleep, my child, you are safe and sound,
For we'll have peace in all the lands
And o'er the deep blue sea.
3. Still today war clouds hang so low,
Still today war clouds hang so low,
Still today war clouds hang so low,
But we want peace in all the lands
And o'er the deep blue sea.
4. Love of life's gonna turn the tide,
Love of life's gonna turn the tide,
Love of life's gonna turn the tide,
Yes, we want peace in all the lands
And o'er the deep blue sea.
5. Deep Blue Sea, baby, deep blue sea.
Deep blue sea, baby, deep blue sea.
Deep blue sea, baby, deep blue sea.
We want peace in all the lands
And o'er the deep blue sea.
