

PUT A LITTLE LOVE IN YOUR HEART

1. Think of your fellow man, Lend him a helping hand,
Put a little love in your heart.
You see it's getting late, oh please don't hesitate,
Put a little love in your heart.
And the world (and the world) will be a better place
And the world (and the world) will be a better place
For you, (for you) and me, (and me), You just wait and see!

2. Another day goes by And still the children cry,
Put a little love in your heart.
If you want the world to know We won't let hatred grow,
Put a little love in your heart.
And the world will be a better place
And the world will be a better place
For you, and me, You just wait and see!

3. Take a good look around, And if you're looking down,
Put a little love in your heart.
I hope when you decide, Kindness will be your guide,
Put a little love in your heart.
And the world will be a better place
And the world will be a better place
For you, and me, You just wait and see!

Put a little love in your heart,
Put a little love in your heart,

Alto & Bass: Put a little love in your heart,
Put a little love in your heart,
