

It's a Good Day

Peggy Lee and Dave Barbour, 1946

It's a good day for singing a song,
And it's a good day for moving along.
Yes it's a good day, how could anything be wrong?
A good day from morning till night.

It's a good day for shining your shoes,
And it's a good day for losing the blues.
Everything to gain, and nothing to lose,
A good day from morning till night.

It's a good day for paying your bills,
And it's a good day for curing your ills.
Take a deep breath and throw away the pills,
It's a good day from morning till night.

(There is a bridge section which we don't sing in our version)
